CONFERENCE**
November
22, 2019

TORONTO

Physical Medicine & Rehabilitation
Conference

The Toronto Physical Medicine & Rehabilitation Conference (TPMRC) is a one-day conference, November 22, 2019 to bring together superb experts to give high impact interactive lectures and to disseminate cutting-edge information on topics pertinent to the field of PM&R.
Co-Chairs: **Dr. Hossein Amani & Dr. Larry Robinson**

At the end of this conference, participants will be able to update physiatrists on rehabilitation after trauma including:

1. **Manage** patients with common pain syndromes.
2. **Develop** a plan for addressing spasticity in patients with brain and spinal cord disorders.
3. **Discuss** the role of brain circuitry in neurological disorders.
4. **Apply** latest concepts and treatments for patients with stroke.

Plenary Sessions Include:

- Functional Neurosurgery – **Dr. Suneil Kalia**
- Treating the patient with persistent Neck Pain – **Dr. Michael Gofeld**
- Treating Complex Regional Pain Syndromes – **Dr. Paul Tumber**
- Updates in Treating the Patient with Stroke – **Dr. Simran Basi**
- Managing Spasticity in Brain Disorders – **Dr. Chris Boulias & Dr. Farooq Ismail**
- Managing Spasticity in Spinal Cord Disorders – **Dr. Anthony Burns**
- Treating the patient with challenging Headaches – **Dr. Alexander Melinyshyn**
- Best treatments for Shoulder Pain & Adhesive Capsulitis – **Dr. Nimish Mittal**
- Treatment of Painful Spinal Compression Fractures by Radiologist – **Dr. Elizabeth David**

Target Audience:

Faculty and Resident Physiatrists & PM&R specialists, Trauma, MSK & Pain specialists.

Other Specialties of Interest: family physicians & general practitioners, neurologists, neurosurgeons, orthopedic surgeons, trauma specialists, pain & sports medicine specialists, nurses, physical & occupational therapists, social workers, and psychologists.

Royal College Accreditation:

This conference is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. This activity was approved by the Canadian Association of Physical Medicine & Rehabilitation. This program has been accredited by the College of Family Physicians of Canada and the Quebec Chapter for up to 5.00 Mainpro-M1 hours.

Through an agreement between the Royal College of Physicians and Surgeons of Canada and the American Medical Association, physicians may convert Royal College MOC credits to AMA PRA Category 1 Credits™. Information on the process to convert Royal College MOC credit to AMA credit can be found at www.ama-assn.org/go/internationalcme.
